Cornell University College of Engineering
Announces Co-op of the Year Awards Recipients
Co-op of the Year 2014-2015

The Co-op Student of the Year Award is presented to one student each year. The nominations for the award are submitted by supervisors who have worked closely with a Co-op student that they feel has demonstrated leadership, initiative, and innovation in the Co-op position.

The Co-op Supervisor of the Year designation is awarded to one supervisor or mentor each year. Students nominate supervisors and mentors who have helped them to grow in a professional capacity during their Co-op position.
